

Halal Certification Guidelines

This document outlines the procedures and criteria for obtaining Halal certification through the Thai Halal Data Base (THDB). It includes details on eligibility, required documents, step-by-step process, estimated processing time, and contact support.

Logo Usage Rules

This document defines the proper and improper ways to use the official Thai Halal certification logo. Guidelines include color codes, clear space, minimum size, and trademark policies to ensure brand integrity.

Download Forms Packet

This section includes downloadable forms required for Halal certification, supplier registration, buyer-seller engagement, and annual compliance. Ensure all fields are accurately filled before submission.

Quarterly Report – Q2 2025

The second quarter report highlights the registration of 120+ new suppliers, digital system updates, halal awareness seminars, and improvements in user experience on the THDB portal.

Resources & eBooks Catalog

A list of recommended resources, whitepapers, eBooks, and research studies related to global Halal standards, certification practices, and industry best practices. All documents are available for download via the THDB portal.

Halal Training Program Overview

This document provides an overview of the Halal training programs available for food manufacturers, logistics providers, and inspection teams. The curriculum includes core Halal principles, hygiene standards, and international certification protocols.

Digital Traceability System Introduction

An outline of the digital traceability system implemented by THDB, allowing real-time verification of Halal status across the supply chain. Includes technical specifications and implementation benefits.

Supplier Code of Conduct

All suppliers working under the Thai Halal network must adhere to this code of conduct. It includes business ethics, transparency in sourcing, and mandatory Halal compliance reporting.

Inspection Checklist Template

A standardized checklist used during facility inspections by Thai Halal officials. This template ensures consistency in evaluating cleanliness, material sourcing, and processing methods.

Consumer Awareness Brochure

A public-facing document designed to educate consumers on how to identify authentic Halal products, understand certification labels, and report violations.

Annual THDB Impact Report – 2024

Summarizes the annual achievements of the Thai Halal Data Base, including new certifications, market expansions, user registrations, and international collaborations.

Halal Logistics Standards Manual

Covers guidelines for Halal-compliant logistics, including warehousing, transportation, and handling procedures to avoid contamination.

Complaint & Dispute Resolution Policy

Explains the process for submitting complaints against suppliers or products, as well as steps for dispute resolution between parties within the THDB framework.

Halal Tourism Guidelines – Thailand

Outlines the best practices and standards for Halal-friendly hospitality services including hotels, restaurants, and tourist attractions across Thailand.

Emergency Compliance Response Plan

Details how THDB handles Halal breaches or emergencies, including recall procedures, public announcements, and rapid inspection deployment.
